

Our processing can move forward more swiftly if the inheritance tax returns are complete and correct.
Please ensure that your filed IA 706 includes the following:

Be Sure To:

- ☐ Use only forms that have been approved by the Department of Revenue.
- ☐ Mail each estate's return in a separate envelope. Include all supporting schedules (A-K).
- ☐ Include the will, the trust instrument, and any disclaimers, as applicable.
- ☐ Include a copy of the federal 706, if required.
- ☐ If an annuity is exempt, explain why.
- ☐ Attach a copy of your computation of shares for all but the simplest returns. It is unnecessary to show your computation of the tax.
- ☐ Check the tax computation with our tax tables.
- ☐ Enclose payment when there is tax due. We do not pre-audit returns without payment. Include the penalty and interest when tax is being paid late. Interest rates are listed on our Web site.

Iowa 706:

- ☐ Fill in the "Power of Attorney Authorization" section on page 1.
- ☐ Check the applicable boxes on lines 15-26, page 2, of the Iowa 706.
- ☐ Provide the information requested at the bottom of page 2, "summary of real and personal property located outside of Iowa."
- ☐ Sign the return at the bottom of page 1. Do not attach signature pages.
- ☐ Be sure all property is listed at fair market value (except when special use or alternate valuation is elected). A sale of real estate within a year of death to a disinterested party will serve to establish FMV. Do not use assessed or appraised value if the property has been sold for a different amount. Do not use alternate valuation unless its election on the federal return has resulted in a decrease of the federal estate tax.

Schedules:

- ☐ If life insurance is shown on Schedule D, attach forms 712.
- ☐ On Schedule E, fill in the percentage includible where indicated. Provide supporting documentation whenever the includible percentage is less than 100% of total value, except in the case of a surviving spouse.
- ☐ Assets held in a revocable trust should be listed on Schedule G.

Mail completed return and all supporting schedules to:
